Dear friends in America.

I appreciate your many kindness to us.

The earthquake caused extensive damage to Miyagi, Japan. But Japan is reviving now.

Thank you very much.

Hana.

Dear friends in America

Thank you for the donation to Tokiwagi! I was moved by your kindness. I won't forget your favor.

So, I attempt to study hard.

You will have good-life, too.

Dear friends in America

Thank you for your helping hands. Now, we spend our school life like after an earthquake. I believe that this experience became valuable for us.

Dear Friends in America

Thank you for your kindness. Sendai is gradually getting tranquil life. In coast, many people are still shelter from their house. But I believe to revive Tohoku.

Please come to Japan someday.
